

\$12,750.00

That's the amount your PTSA gave to help fund school events, programs & new equipment this past year. We need your support to do it again. Become a member, make a patron donation, volunteer. Everything helps. And this year, just to entice you, we're going to enter every family who becomes a member or makes a patron donation into a raffle for tickets and other goodies from local businesses.

Please help us make TOHS the best school it can be.
